

# ANCHOR FARM FENCE, CASE STUDY

**Customer:** Huruiki Angus

**Location:** Northland

**Product:** Farm Fence (HT 2.5 x 25kgs) + Staples + Tree Mesh

**Application:** Farm Fencing

**Detail:**

Huruiki Angus is a family farm and the second highest point in Northland overlooking Helena Bay. They predominantly run a boutique beef line of Angus.

The dilapidated fencing needed replacement with the introduction of new cattle to the farm. The owners were looking specifically for a product that would stand the test of time, so they chose Anchor as their key supplier.

Anchor has a wide selection of Farm Fencing, made in New Zealand, under ISO9001 accreditation.

Anchor has been manufacturing quality fencing products for over 40 years and all Anchor's products are manufactured to AS/NZS Standards. Anchor's products have been used across hundreds of thousands of miles throughout New Zealand farms and throughout the Pacific.

Combined with Anchor Barbed Wire and Staples, Anchor supplies a complete rural fencing package.
